## Getting here & parking

In summer, our gate is open for easy drive-through access. Just follow the road about 300 m to the houses. Park between the two cabins, or use the main building's car park on the right-hand side, just before you reach the glass houses.

## 02 Check-In & Check-Out

### Upon arrival

**Check-in is from 14:00 onwards.** The moment you walk in, your coffee, tea, and bathrobes will already be waiting for you.

### End of stay

**Check-out is by 12:00.** Before you head off, please make sure the door is locked and take one last look around so nothing gets left behind. You'll find a few more notes on tidying up in the Good Neighbour Guide.

---

## 03 Your Key to Freedom

Beside the door, you'll find a discreet lockbox. Enter the personal code we sent you with your booking confirmation, and... voilà! Welcome home!

---

## 04 We've Got Your Climate Covered

We want your nest to always feel just right. Even when the sun is blazing outside.

**Heat pump:** your best friend for summer cooling.

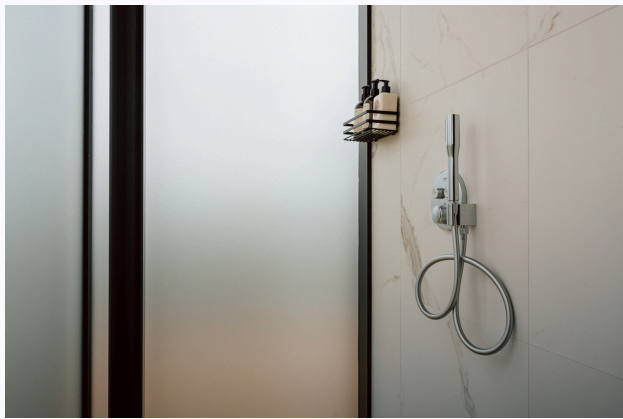

**Underfloor heating:** keeps a cosy, even warm underfoot throughout the cabin. You'll find the regulator in the bathroom cabinet and the wardrobe, though 99% of the time it's already set just right for you.

## 05 Look Around You

Details. Everywhere. We've put a lot of thought into surrounding you with details that are practical, but stylish... from the bathroom fittings to the bathrobes. So keep your eyes open. At least during the day.

### Home spa

Slip into our soft bathrobes and slippers, and enjoy L'Occitane luxuries in your bathroom, finished with Villeroy & Boch and Grohe fittings. A healthy body, a healthy mind!

### Kitchen & entertainment

A design gem awaits in your kitchen — SMEG. Brew yourself a cup of quality Khamssa tea or aromatic coffee, then get comfortable: Netflix and YouTube are ready on the TV. Feel free to bring along a book or magazine of your own.

And don't rush to draw the curtains: our signature mirrored glass walls keep you completely private from the outside, while giving you a front-row panorama from within. Wake up to the sunrise, watch the game on the green, or simply enjoy the quiet forest and pond view... all without leaving your bed.

## 06 Your Private Sauna Ritual & Grill Spot

### Eagle House

Staying in Eagle House? A cosy, private sauna awaits, right next to your cabin.

Enjoy the hot steam, then take a refreshing dip in the pond. This is the perfect way to unwind and let your mind rest completely.

Soft bathrobes and quality toiletries are provided in the sauna area, so all you need to focus on is enjoying the moment.

Firewood for the grill spot is kept in the small shed by the rear house.

As with any heat and wood-burning object, please never leave them unattended.

*Staying in Birdie House but fancy a sauna session too? Just let us know and we may be able to add it on request.*

## 07 Life at Rae Golf

Your cabin sits front-row to a world-class golf course so you can enjoy the game directly from your bed or terrace. That's the real golf hype everyone's talking about.

Hungry after all that golf-watching? During the summer season, the on-site restaurant Jacoby Rae Golf is open daily from 11:00–20:00 ([jacoby.ee](https://www.jacoby.ee)), or order in via Wolt or Bolt, delivered straight to your cabin.

New to golf? Green Card courses run on-site, so you can learn the game yourself.

## 08 Good Neighbour Guide

Our golden rule: take only memories, leave only footprints.

- Please respect the peace and quiet around you, and save bigger gatherings for another time and place.
- Leave all furnishings, equipment, and linens exactly as you found them.
- No need to take the rubbish out when you leave, just leave it in the cabin, so no curious wildlife comes exploring. We'll handle the rest.

## 09 Restaurants & Shops Nearby

### On-site

On-site: Jacoby Rae Golf, our summer restaurant, open daily 11:00–20:00 ([jacoby.ee](http://jacoby.ee)). Wolt and Bolt deliveries also reach the cabins.

### A short drive away

A short, roughly 10-minute drive (around 10 km) takes you to the small town of Jüri, home to grocery stores Coop and Grossi, plus a handful of restaurants. Some of the best pizza and pancakes around can be found in Peetri and Jüri.
